# ArtSports 2009-2010 Sessions Calendar

Session is just another way of saying "billing cycle." They are not lesson plans, and they do not limit anyone starting in the middle of a session. We keep our student to teacher ratios low enough that students can start at any time, and still be taught at their own level of ability.

***NOTE: ArtSports does offer day camps during scheduled D11 and D20 school closures!***

| **Summer Session** | **June 1 through August 14** |

**What is Summer Session?** This is the time of year when everyone's schedules are thrown out the window -- vacations happen with swim lessons and other summer activities. It's hard to commit to a set class during this time of year, but it's a shame to let the kids miss summer training and forget some of their lessons learned earlier. And so, during this fifteen week time period, ArtSports makes it a little easier for you by offering punch cards. Buy as many classes as you feel you can reasonably make during that time period. The more classes you buy, the cheaper it gets. 4 classes cost $48, 8 classes cost $80, and 12 classes cost $110. If 4 is too little and 8 is too much, or 8 is too little and 12 is too much, simply add $10 for each additional class.

*SUMMER BONUS – We appreciate the families that stay committed to our classes over this busy time and want to thank them. For every 4 classes purchased during the summer session, ArtSports will give each enrolled child a free one-hour open gym pass to come and play with us during one of our many open gym times. Jump in the pit, swing on the trapeze, or fly in the bungees - but just have fun and know that we appreciate your loyalty.*

* If your child's class falls on a scheduled closing, please contact our front office at 531-5867 to schedule a make-up class on an alternate day.
